

## Inn Town Campground and Outside Inn Donation Request Form

While we love to hear from owners and people in the community, the sheer volume of requests can be overwhelming.

Please submit donation requests at least (30) thirty days prior to the event date. Not all donations requests will be fulfilled, but we will try our best to spread the love. We will contact you directly if the request is approved. We are committed to supporting our community and charitable organizations- let's see if your event is a good fit for our marketing outreach and community involvement strategy!

Requests by conventional mail, facsimile and telephone will not be accepted. Please complete the entire form. If an item does not apply, please enter "NA".
